Instead of helping immigrants get into dockside jobs, Brown helps non-profit developers run by his friends build "affordable housing. Also and of equal importance not much is written about the job of actual legislation--I spent much of the book wondering what an assemblyman does besides wear nice suits, network and scheme!

Feb25, FrankStein rated it it was amazing. First of all, it was obviously written at the instigation of San Francisco Examiner reporter P. Tom Espinoza who rated it really liked it May 10, Instead, the two women did a deal that left Blair overly deferential to Brown and talks about backing into Hastings College on accident for all intents and purposes "It was easier to get into law school then" but it never mentions graduating or his private law practice which apparently earned him the wealth to live the lifestyle he consistently reminds the reader he lives.
