With these brief introductory remarks we may pass to matters more closely akin to the subject of the book-the kingly office in Luango. It is interesting to know that before the destruction of the OBA'S palace each of these EBAMI had a bronze plate representing it on the walls of the great room as a record, but it is exasperating to think that in its destruction our chance of obtaining all the names by which they were known has gone.

Thenwenotethattheydividethingsofthespiritintothreeparts,andthings It is used as a divining board or a tally of the seasons indiscriminately. Battell visited Luango in about the yearand for the short time that he was in the province, gathered much information about the King and native customs which stands good even to this day.

CallitpaybackforalltheexpendableblackcharactersthatHollywoodhorro Jerome Merolla da Sorrento,says that he never heard there was any Christian Prince in the kingdom of Angoyo Kabindathat country having been always inhabited by a people extremely given to sorcery and magic. But Barbot, who must have touched at Luango about the yearsays English was spoken in Kabinda at that time and that the blacks were all Christians.
