For an initial introduction to the euthanasia issue cf.: The decision by the administrative court of the canton Zurich of 11 March

Its neglect is considered a criminal assault. The court also has to be contacted. Fifteen of them died after having taken the drug, six died of their diseases and two were still alive when the study commenced. This amount shows an increase of about 10 percent in relation to the previous year cases. Amongst others, the working group "Patients' autonomy at the end of life", which was established by the Federal Ministry of Justice on 10 June presented its final report in which it demands that the wishes expressed in living Textsammlung Sterbehilfe (German Edition) - if they apply Textsammlung Sterbehilfe (German Edition) the concrete situation - shall be binding even "if the disease has not yet become fatal" unofficial translation. The decision by the administrative court of the canton Zurich of 11 March Das I Commission has to judge whether the conditions and the procedures laid down for a legal killing on request are fulfilled. In the committee published another opinion specifically on euthanasia with regard to persons unable to give their consent.
