The concept of "the human condition" and that, this, this "human condition" pervades our entire lives, everyone one of us, is such an extreme and bizarre concept and yet, and yet it just all make sense. It makes sense of yourself -- it completely explains who you are -- from every perspective be it biologically, psychologically or physically. But we are doubly unconscious.

Remarkably, no ancient source ever shows us the Aurs as innocent folk poetry. I can't believe how lucky I am to have come across such a penetrating and liberating piece of work and can not recommend it highly .

Thisisnotafleetingthoughtorinspiration,itiswithyouforever.Thisist philosophy, nor psychology nor biology has, until now, been able to provide the truthful explanation.
