Aug 19, Helen rated it liked it. The paranoia that she felt about being over weight was also interesting. I know just what you mean!

This relating of her experiences is intertwined with running in the Salt Lake. I really enjoyed the first 3rd of the book, but after that I felt like she just kept repeating a lot of the same things. You can do it if you make up your mind that you are worth doing it for!

I am one of those people she mentioned. Repeat same advice here and there through find I have little motivation to exercise and a love of snacking.
