A activation email has been sent to you. So I don't think this is ever going to be

From a child prodigy pianist to her first band, her breakthrough album as a solo artist to her prolific years of recording and touring, Tori Amos has refused to play by the rules of the recording industry and instead fearlessly forged her own path and musical identity. Paul's connection to a certain iconic cartoonist ... Expected dispatch within 8 - 13 working days.

Other subjects of the series include Heart and producer Rick Rubin. He's spoken to some of the musicians and producers she has worked with over time, but he sadly hasn't interviewed Tori for this book, which would have been fantastic. Although occasionally it felt like it was riding on the back of other people's work.
