### **Portable user-centric identity management – Arizona State University**

A Portable Identity, an essential book and resource for expatriate spouses and an expat spouse coaching website supporting women moving overseas. Debra.

Portable Identity is the right and responsibility of each of us to create, control, and carry the important pieces of information that define who we.

The Paperback of the A Portable Identity: A Woman's Guide to Maintaining a Sense of Self While Moving Overseas by Debra R. Bryson.

Portable identity is useful only insomuch as single-stable-identity is useful. I don't think either the federation model in general or GnuSocial.
