No high climax in the plot but the reader is led masterfully to a satisfying conclusion. This book was totally not what I expected from the title. I absolutely fell in love with this book. She decided to respond. It was about the relationship of a small group of people spending an isolated summer. Her debut novel The Pools was critically acclaimed. The period of history which the book is set in is not described well and would have added another layer to the book.

Sep 25, Hannah rated it it was ok. It was about the relationship of a small group absolutely fell in love with this book. Jan 26, Eleanor rated it really liked it Shelves:
