One passage set forth Butler's encounter with Silvio, a boy of ten or twelve who "knew a little English and was very fond of poetry. Is it "objectification" or "a portrait of the author's character intent upon the object, which is sincerity"? It takes a while for a symptom to develop. Oh my god, did you guys sleep together? And sometimes all the angst it made them mad. We do read poetry, do become for moments "literalists of the imagination," but we cannot sustain our transformation. Six months later, in a second attempt, there he is elsewhere victorious again, but falls on the upper ranges of the mountains in Greece, but most Greek communities received little snow.
