The title should be at least 4 characters long. I Agree This site uses cookies to deliver our services, improve performance, for analytics, and if not signed in for advertising. Potential weak 2-bids occur on many hands. Since his retirement as chairman of the board of Syntex Corporation, he has published Golden Rules for Opening Leads. Beginning with the play of an individual suit and continuing with full deals, deceptive plays are discussed in a variety of situations. Expanded and updated versions of Reese's originals, these books focus on planning the play and finding an advantage. The author offers ideas for improving your memory, visualizing layouts, even the 18th edition of a self-teaching textbook for learners and advancing players who want to tune up their skills. Yet the fact remains that you will defend roughly twice as many hands as you declare.
