Lestrade tells of an occasion on which Holmes was called to  
examine the body of a man stabbed through the neck, but the  
visiting doctor's conclusions were considerably different to  
Holmes's. In a novel that challenges as much as it thrills,  
filled with the astonishing tension and unseen suburban  
machinations that have become Coben's trademark, Caught tells  
the story of a missing girl, the community stunned by her  
loss, the predator who may have taken her, and the reporter  
who suddenly realizes she can't trust her own instincts about  
this story - or the motives of the people around .

pauses that give the feel of being in the middle of a  
paragraph, but then 'announcements' of which Chapter you're on  
rides the coattails of the previous sentence like an automatic  
rifle. My theories would change chapter-to-chapter, I have to  
admit it kept me on my toes.
