The *The Male Factor* provides women results of an eight year study into men's view of women in the workplace and the marketplace. Got this one as a review copy. Even women who have navigated male-dominated work environments for years share. We might buck against these realities all we want but we won't succeed without understanding and operating within the male mind. New and unread publisher overstock with remainder mark. Feldhan found that the assumption that "emotion" means "you're not thinking". 9 Books Condition: Jan 25, Geneva Woodmansee rated it liked it.
