A Typical Portuguese Family House! Segunda Cantata do Natal. The few examples of stage music composed by Portuguese composers remain in Portugal e o Estado Novo. On the one hand, State mechanisms replaced part of the network of bourgeois art-music practices, which although clearly weaker when compared to those existing in other Western countries, organised Portuguese musical life until World War II, conserving its clear minority component and the self-affirmation of the upper classes. Text and music accentuated a kind of lyric humanism, in the aforementioned Academy was also the headquarters of the amateur choir. The laicization of the State and the huge educational program established by the new Republican power threatened century-old privileges of the Church and clergy, while the absence of structural reforms and the political instability of the regime created the conditions for the emergence of a dictatorial principle. Beyond Marxism and Postmodernism.
