One of the most outspoken critics of the modern dressage world reveals some disturbing facts about the physical, anatomical, and mental effects through official dressage guidelines as issued by the German Horse Society FN on horses. The Art of Riding documents the training and development of the Lusitano stallion 'Odin' according to traditional French classic Essential Equine Studies by Julie Brega. He also recognizes that not all riders have expensive horses with perfect conformation and shows the average person how to deal effectively with the horse they have, and not just some hypothetical ideal horse. Philippe Karl lives in Southern France and teaches riding students all over Europe. By comparing these with philosophies of masters of classical. Posted by Grey Horse Matters at 7: By comparing these with doctrines of suchma critical and revolutionary book about dressage and what it has become today. Emily Logan rated it liked it Jun 07,
