Let the words of Trappist monk Thomas Merton lead you through the holy season of Lent and into Easter. This book is not only a gathering double the size of Merton's earlier *Selected Poems* it also arranges his poetry both thematically and chronologically, so that readers can follow the poet's many complex, interrelated lines of thought as well as his poetic development over the decades. In this early work, Merton urges monks to keep alive that spiritual atmosphere without which all that is good and sane in human culture will die of asphyxiation. *Benedict in English* St. Merton, Thomas; Edited by Christine M. Genesis by Stephen Mitchell.
