Cambridge University Press, I just think the more appropriate
approach would have been to provide both arguments: The
differences between Sufi and Shi'i sects, Ismailism, the
geography of the near East, and the history of the various
caliphates and su This is the only book in memory I really
tried to force myself to finish, and failed.

Don't have an account? He then traces the emergence of new
forms of Islam in the middle period, deftly showing how Islam
emerged slowly as part of a prolonged process.
