This is the Opus, or Great Work of alchemy in one of its contemporary forms, through there are still alchemists who work with elixers, nostrums and potions or in experiments with metallurgy, preferring the concrete form. Alchemy strives for the experience of spiritual rebirth via the union of opposites, or the sacred marriage.

Therepressionofoneoftheoppositesleadsonlytoaprolongationandextens is specifically a spiritual or religious crisis in the life of the individual, where ruling ideas lose their meaning. With the presence of this man in my home, my pain—which I had heretofore been able to keep somewhat private and hidden away—had a sensitive and attuned witness.
