To it, individuals are but accidental. But, after all, he is only dealing with reason in its treatment of experience; and there he is right in claiming that facts are everything, and presupposition. So that a man cannot say, This is worse than that:

Onesecretmakesitselfknoweverywhere:Well,then,whybesurprisedifyou
It was a philosophical movement, but it owed its development as much to democracy as to European philosophers. Although society will influence an individual towards conformity, it is important to remain true to one's self and to one's identity. This work, which has been widely noticed in the secular press and almost universally with favor, is a striking contribution of the day.
