Other doctors - some without a CCT, a few who have only just obtained that qualification, others who have retired from substantive appointments, and others who wish to use some of their annual leave to generate additional earnings - may be employed as locum consultants who have the same clinical responsibility, but are typically on fixed, short-term contracts. This usually entails holding a Certificate of Completion of Training CCT in any of the recognised specialities, but academics with substantial publications and international reputation may be exempted from this requirement, in the expectation that they will practice at a tertiary level. We're House Officer: Becoming a Medical Specialist at how we can make their impact less severe. They are required to mentor House Officers and help with the clerking of cases. The British Medical Association BMA says the vast majority of doctors would be 'financially unwise' to opt out of this scheme; very few. Training in these specialties is only available at Higher Specialist Training Specialist Registrar

level. They also have numerous other key roles in the functioning of hospitals and the wider health service. Pay consists of a basic plus out-of-hours supplement depending on the pattern of work. No one's pretending that it is easy being a junior doctor, but most agree that it's a worthwhile and fulfilling career. To be eligible for the Medical Officer position, applicants must satisfy the following conditions:.
