The E-mail message field is required. He expressed the incredible fear of getting lost in the jungle, so you had to follow the guy in front of you with all your effort. In these pages he loses If you have the time, I highly recommend reading this book alongside the marvellous and gripping Ken Burns documentary about Vietnam in which the author plays a prominent role.

You may have already requested this item. You grin, beginning to know you're right. War memoirs are important to me. Jul 20, Abbey Harlow rated it liked it. Please enter recipient e-mail addresses. It's about a soldier going through a war that in many ways seems to be several different repetitive patterns that never really accomplished anything - other than O'Brien surviving and being honest about how he did it.
