He often dozed off within a couple of pages of each story, but I would continue to read aloud in hushed tones, largely for my own edification. But the picture painted by the Grimms was of a vast, dark, world-encompassing forest in which still darker deeds were committed – and went unpunished. But tales of kings, queens, princes and princesses - of which there are many - are not only a means of mental escape for the poor. The 20th anniversary of the death of Diana, Princess of Wales, for example, has seen writers and poets have also responded to the tales and, like Neil Gaiman, have regularly sought to return them to their once formidable status. So begins the six book fantasy series, though Daughter of the Forest can be read as a stand-alone. They are also a means of social criticism. Like a mother tongue, the stories are acquired early, to become part of our identity. Snow, Bird by Helen Oyeyemi. Cinderella and social criticism But tales of kings, queens, princes and princesses - of which there are many - are not only a means of mental escape for the poor.
