Or, the woman who noticed my checkbook had fallen out of my purse and chased me down to return it. I was grateful for my husband, my family, my friends.

If you want to turn your life around, try thankfulness. Sadness is as much part of the life as happiness is. Religions have brought the comfort of belonging and companionship to many who would otherwise have passed through this life all alone, without glory or adventure.

To give a taste to the recipe, I need to put all the emotions in the plate of life. wonderful insights and practises in this book, inspired by the perennial wisdom of spirituality and grounded in cutting edge scientific research, will guide both new and experienced writers to reach deeper into the secret source of creativity within and return with something truly special as a gift to the world.
