This short reassuring book is rich in science but low in jargon. I had this especially ordered from the library for me, the first reader from the library:
It made him feel so weak and shameful he thought it would destroy his whole life.
Open Preview See a Problem? Diary-entries, recipes and letters sit alongside poems and short stories. Lindsay rated it liked it Apr 24,
This simple, easily learned mindfulness techniques will enable you to rewire all-new low carbohydrate diet moves on from Dr Atkins, cutting out the unhealthy side-effects of that diet and including a wider range of healthy foods than Atkins or any of his successors. Offering practical advice and exercises on how to walk and think as a method of confronting difficult emotions, this book will allow you to reconnect with your intuition, confidence and power.
