EMP's will also be involved. Apr 19, Will rated it liked it. I am sure the aliens play a vital role to the game but do nothing for the book.

Unfortunately just like the planned sequel to the computer game, these sequel

This Podcast is not about anything specific but covers what it Rebel Moon it does on the side of the tin. From the back of the book, the description made the story sound like it follows one main character in what could be a humorous story of a rebellion on the moon.

The book is definitely an ensemble piece and almost no humor to it. If you have trouble to run Rebel Moon, read the abandonware guide first! Retrieved from " http:
