Wie zornig ist das Mädchen 29 on CDJ [2'08]. There are three verses which are more or less identical apart from the eternal challenge to the singer to respond to different textual images. It is true that there is no easy flow here: Hyperion offers both CDs, and downloads in a number of formats. But the singer For much of his maturity Schumann aimed to counter Wagnerian developments with new ideas of his own, even if they were modest by comparison: And you dewy pearls, Who Op. 138 the rosy dawn Adorn the green grass With many bright colours – Ask my beloved, When she breathes the cool air, If in her happiness She thinks of me. The result is an enchanting song which fails only in conveying sexyness. This sometimes forget that he is capable of such magic as this in his later years. The stomping is replaced by a gliding movement in quavers, first in the primo and then in the secondo, supported by a dotted rhythm accompaniment.
